SUMMARY

MERN stack developer with 1+ years of experience building full-stack web apps with clean, maintainable code. I enjoy crafting responsive UIs, building scalable APIs, and deploying apps using modern DevOps tools. Passionate about solving real-world problems and working in collaborative product teams.

EDUCATION

BCA, Gems Arts and Science College, Ramapuram	Aug 2021-Apr 2024
Class XII, GHSS, Kadungapuram	Jun 2019-Apr 2021

SKILLS

Languages	JavaScript, TypeScript
Frontend	HTML, CSS, React, Redux, Bootstrap, Tailwind, Vite
Backend	Node.js, Express, Socket.IO, REST API
Databases	MongoDB, PostgreSQL, Redis, Firebase
Tools	Git, Docker, CI/CD, Nginx, Postman, Linux, Figma
Familiar With	AWS (EC2), Google Cloud, Vercel, Railway, Razorpay API

PROJECTS

Quotly – Quote Sharing & Real-Time Chat Platform	View Live	Mar 2025 – Apr 2025
---	-----------	---------------------

- Tech Stack: MERN, Redis, Socket.io, Cloudinary, Redux Toolkit, RTK Query, AWS EC2, Docker, Vercel, CI/CD
- Built Quotly, a real time quote sharing and chat app with role based access, live reactions, dynamic leaderboards (Redis + Socket.IO), and abuse controls cutting misuse by 40%. Deployed via Docker on AWS EC2 with CI/CD; frontend optimized using Vercel, Redux Toolkit, and RTK Query.

Mocca – Full-Stack E-commerce Web Application	View Live	Nov 2024 – Dec 2024
--	-----------	---------------------

- Tech Stack: MERN, REST API, Razorpay API, Google Auth, NodeMailer, Cloudinary, React Query, Redux, AWS EC2, Docker, Vercel, MVC
- product, order, and offer management using MVC architecture. Integrated Razorpay for payments (wallets, refunds, invoices), improving efficiency by 60%, and added wishlist, ratings, and search boosting session time by 35%. Secured with Google OAuth, deployed on AWS EC2 using Docker and optimized frontend with Vercel, React Query, and Redux.

MINI PROJECTS

CLI & Backend Tools	NetSpeed CLI Tool, Socket.IO CRUD App, Redis CRUD App
Functional Web Apps	React Todo App, Weather App, OLX Clone, Netflix Clone
UI clones	Tesla Homepage Clone, BMW Landing Page, Realme Webpage Clone

ACHIEVEMENTS & CERTIFICATIONS

- HackerRank Certified React Front-End Developer View Certificate
- Project Trainee (React Developer) - Softronic & GEMS Arts and Science College
